Miami's infrastructure allows for one of the world's most vibrant metropolitan yachting experiences. No matter the occasion, a day out on the water aboard one of our luxury yachts will take any visit to Miami to the next level of luxury! Step aboard your chosen vessel at a dock most convenient for your party. We can offer complimentary docking at the Fontainebleau Hotel which we manage, or deliver the yacht to any marina in Miami (fees may apply), including private homes for your convenience.

Biscayne Bay and a seemingly infinite network of intra-coastal waterways allow for your chartered yacht to cruise to virtually all parts of the city. Nowhere else will you experience the year-round tropical weather, scenic anchorages, great selection of waterfront dining, and high-energy party atmosphere that is Miami! If your lucky, you may even see some dolphins jumping in your wake, they love yachts!
